**Subject:** Follow-up on Buffalo Mountain

Bob P wants to focus on our strategy for the next phase of activity on Buffalo Mountain, which will mainly involve commenting on the draft EIS, and steps we can take to maintain a helpful dialogue with the Corps and DOT as we prepare our comments.

Don will organize a call on these issues as soon as possible and then we'll get back to Bob.

We'll want a small career staff contingent on the call along with principals.

Thanks.
